	<ul style="list-style-type: none"> <li>AFR requires a disaster report completed by a licensed appraiser on all properties on all transactions in a Presidentially Declared Disaster Area with individual assistance. If the loan is closed, AFR may require this report up to 60 days after the date of the disaster declaration. If the loan has not already closed and funded, AFR will not close or fund until the inspection report is completed to AFR's satisfaction. In all cases, the inspection must be dated after the affected incident period. The disaster report must comply with applicable agency guidelines. On a case-by-case basis AFR may allow a loan to close and fund if the incident period was declared more than 14 days prior to the scheduled closing date. Originators are responsible for determining potential impact to a property located in an area where a disaster is occurring or has occurred. This is regardless of whether a property was included in the area covered by the declaration. If an originator has reason to believe that a property might have been damaged in a disaster the originator must work with AFR to ensure that the property is free from damage. Please note, that due to the nature of natural disasters AFR may amend this policy and add additional restrictions at any time without notice.</li> </ul>
