

VA ONE-TIME CLOSE (“OTC”) PROGRAM

PROGRAM SPECIFICATIONS	
Description	<p>American Financial Resources, Inc. (AFR) offers Construction to Permanent loans for new manufactured, modular homes, and one unit stick built homes. Our One Time Close program provides construction financing, lot purchase and Permanent loan, all wrapped up in one loan. Why worry about re-qualifying, re-appraisals or incurring additional costs?</p> <p>AFR provides interim financing and administration for true one-time close staged funded construction-to-permanent loans. Designed for manufactured housing, modular housing, and stick built housing, this program allows American Financial Resources, Inc. the ability to offer our Wholesale clients this unique loan product.</p> <p>American Financial Resources, Inc. (AFR) underwrites and approves the permanent portion of the loan before the construction begins. The construction portion of the loan is also underwritten and approved. When all conditions for closing are cleared with AFR, other than the final construction related conditions, the closing will be coordinated. Once closed, construction can begin.</p> <p>Because the permanent loan is closed before construction begins, there is no “re-qualifying” the borrower. This is a true one-time close; therefore, the borrowers will not need to return to the settlement agent for a second closing once construction is complete.</p>
